Code of conduct

Disciplined behaviour is essential for the successful achievement of both the organisation's and the learner objectives. It is the responsibility of the management of Keobakile nursing academy to maintain a disciplined behaviour. For discipline to be maintained fairly, the learners should know what constitutes misconduct and the procedure which will be followed when dealing with misconduct.A disciplinary code should be based on the following:

- Disciplinary action should be corrective as opposed to punitive, the aim being to bring about a change in the behaviour of trainees who have indulged in undesirable actions, so that such trainee adhere willingly, through greater acceptance and understanding to standards of conduct and performance
- Punitive action should only be taken where prior and adequate corrective action has proved ineffectual or when a first offence is very serious and or in deserving cases.
- As far as practicable, similar offences committed under similar circumstances will be treated equally through similar disciplinary action.

Student enrolment contract

- Agreement is based on adult based learning; this means that a learner takes responsibility for the learning process.
- Material will be provided to assist the learner with the studies
- Learner will be required to attend studies as indicated on the programme time-tables.
- Learners are expected to travel for the work- integrated learning at their own cost
- Learners will report to the educator who is assigned to them for the purpose of learning. Allocation for work integrated learning will be the responsibility of the educator.
- During the work integrated learning learners will be required to report to the registered nurses /unit manager to which you are allocated

Student complaints

The students witll have a Student represetanti council(SRC) that represents the student. The students report or sent complaints to the council that presents i to the academy managment or he relevant person involved. There is also a suggestion box where complaints are put and are read by the school managers and heads of department.
